## Internationally Renowned Job Search Expert Can Help Audiences Land Their Perfect Jobs In Weeks Not Years

A recent Gallup poll estimates up to 40 million people are in an active job search. Whether you are under-appreciated in your current job and are searching for a better fit, or in transition, looking for a job that will get you to that next level in your career, Tammy Kabell can give you both the confidence and the competence to win a job you love and deserve.

As CEO of one of the most successful executive career firms in the U.S., Career Resume Consulting, her insight into the current job market and her unique strategies of using proven marketing and sales psychology have resulted in helping her clients land 6-figure jobs in weeks, not the 12-18 months the average job seeker spends. Tammy is eager to share these secrets with your audience, to allow them to take control of their job search and not become just another statistic!
